

What do you think about the draft design concepts?

Hunsaker Lane	Comments
	<p>What's different about this design and why:</p> <p>Travel lanes have been reduced from 11 feet to 10 feet to slow vehicle speeds, with the goal being a posted speed of 25 mph instead of the current 35 mph</p> <p>Do you support this change? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>The green space is 2 feet narrower to reduce the overall street width and minimize impacts to abutting properties.</p> <p>Do you support this change? Yes <input type="checkbox"/> No <input type="checkbox"/></p>
<p>Rank your response to this design: _____</p> <p>1 = strongly against, 2 = against, 3 = neutral, 4 = support, 5 = strongly support</p>	
Beaver Street	Comments
	<p>What's different about this design and why:</p> <p>Extending the bike path from Division Avenue, along the east side of Beaver Street, for an eventual bike path connection to Wilkes Drive</p> <p>Do you support this change? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>Providing a curbside sidewalk to enable walking on the west side of the street and an extra ½ foot of travel lane width in case bikes want to share the road</p> <p>Do you support this change? Yes <input type="checkbox"/> No <input type="checkbox"/></p>
<p>Rank your response to this design: _____</p> <p>1 = strongly against, 2 = against, 3 = neutral, 4 = support, 5 = strongly support</p>
